Xpress Cooker

Safest and fastest Triply Pressure cooker

Globally certified. Food-safe.
Free from harmful chemicals

Engineered for elegance and crafted for ease of use, the Stahl Xpress Pressure Cooker Collection undergoes 18 rigorous quality tests ensuring unparalleled safety and complete peace of mind. Combining contemporary design with exceptional durability, these triply cookers deliver reliable, flawless performance for everyday use.

Universal compatibility

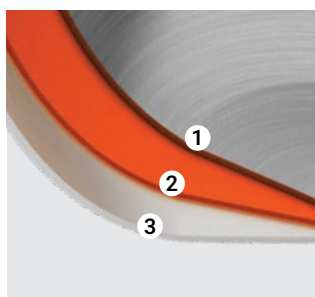

Induction

Gas

Dishwasher
Not safe for cooker lids

Triply stainless steel technology

- ❶ Food grade SS 304
- ❷ Even heating Al core
- ❸ Induction safe SS 430

Resettable safety valve system

Designed for enhanced safety with an additional safety valve that can be reset with just a push of a pin at home.

Easy to open, easy to close

Built for convenience, the lid opens and closes smoothly for effortless everyday use in any kitchen.

Less sticking, easier to clean

Food particles slide effortlessly off the smooth surface, reducing the need for heavy scrubbing, making cleaning easier.
